## E. P. BOYS DEFEAT J'VILLE 38-13

Monday night Eagle Point Boys took ample revenge on Jacksonville for the game they dropped last Friday night. When the game was over Eagle Point was on the long end of the 38 to 13 score.

By an offensive machine that had everything--dribbling, passing, shooting, backboard and tipoff playing, the boys scored at will. John Nedley led with 18 counters to his credit. Don Young and Kirch Peile tied with 10 each. Glenn Winkle and Fred Compton, guards, played a praiseworthy game, and much credit must be given them for holding Jacksonville to three field goals, all of which were made by Witter, the J'ville captain.

The first quarter provided the only close part of the game, when the score stood 6-4 in Eagle Point's favor. When the half was over the game was ours, as we had a ten point lead. Jacksonville was handicapped by the sickness of Forbes, their six-foot center, and by the small court.

Tonight Eagle Point will play Butte Falls. If they play the game they gave J'ville, a real game is in store.

## STUDENTS DISCUSS LETTER AWARDS

The question of what the requirements should be to receive a basket ball letter and what style these letters should be, formed the main discussion in the Student Body Meeting February 24. It was voted to put this question before a committee of five students who will report at the next Student Body Meeting. As Basket Ball season is so near and our athletes are anxious to receive their rewards.

It was also decided to purchase new basket ball in spite of the fact that the season will close soon. Students plan to keep this ball in good condition so that it can be used next Fall.

## BUTTE FALLS GAME TONIGHT

Eagle Point will return the game with Butte Falls at Butte Falls tonight. This will, no doubt, be a hard game for both boys and girls, as Butte Falls has been planning to win the game for several weeks, but Eagle Point's intentions are not so bad.

There will surely be a great deal of excitement as this is the last scheduled game of the season.

A weekly newspaper edited by the English III class of Eagle Point High School. Subscriptions 15¢ per semester or 3¢ per single copy.

### GLEE CLUB PRACTICE

There has been a great deal said about cooperation in school activities, basket ball, class work and plays, yet the desired spirit has not been fully extended to the new activity of Glee Club.

The high school is planning to give an operetta, which will be the first of its kind to be presented by this school. A great deal of work is connected with this production to prepare it well. We hope the students will rally enough pride to prohibit the giving of an inferior entertainment.

Glee Club has only had a very few members the past few weeks, so just remember, those working in earnest and taking pride in their work will be the ones to take the leading parts in the operetta.

Remember, operetta practice at 8:30 A. M. every Monday, Wednesday, and Friday in the music room.

A family reunion was held Sunday at Ray Harnish's. Those present were Mr. and Mrs. Cliff Nixon and daughter, Ilene, Mr. and Mrs. Bill Holeman, and children, Mr. and Mrs. Theron Taylor and son, Billy, Mr. Sam Harnish Mrs. Swazy, and Mrs. and Mr. Ray Harnish and family.

### CRATER LAKE UNION PRESIDENT CONDUCTS C. P. MEETING

The Eagle Point Christian Endeavor thoroughly enjoyed the very educational meeting which was conducted by Elva Caster on last Sunday evening, February 23.

Irva Fewell favored the group with a musical reading after which the topic for discussion, "What does Loyalty to Christ Mean?" was presented in an interesting manner, in which every one took part. After the regular lesson, the work of the different committees were outlined by the girls who were assisting Miss Caster with the meeting..

Edna Hilderbrand explained a number of methods of conducting successful socials; Irva Fewell defined the different way of carrying on the work of the missionary and lock-out Committees, and Lineva Simpkins discussed the work of the Prayer Meeting Committee, which is to help the different leaders prepare the titles or topics and see that the regular society meetings are made both interesting and beneficial.

EAGLE POINT GIRL'S WIN  
TWO JAVILLE GAMES

The Eagle Point Girls were winners of the two basket ball games played with Jacksonville this last week.

The game last Monday night on the home floor was closely played during the first half. The score was 5 to 8 in favor of our girls. In the last half the Eagle Point girls showed more team work bringing the final score to 12 to 21 in favor of Eagle Point.

The girls game played at Jacksonville a week ago tonight was also a victory for the Eagle Point girls, with a score of 19 to 50.

FORMER EAGLE POINT STUDENT  
SUCCESSFUL IN LARGER SCHOOL

Kathryn Philbrook, a former student of Eagle Point, has been asked to join the Varsity Letter-mans Club of Lakeside, Calif. She was also one of the few chosen for the Grassment Basket Ball team. If Kathryn plays the game as well, as when playing for Eagle Point, we most certainly envy Lakeside's team.
